

# AST AST090 150100 plain bearings

AST AST090 150100 plain bearings Manufacturers , Online 30 mm d Wholesale Suppliers !

|                               |                      |
|-------------------------------|----------------------|
| d                             | 30 mm                |
| radial static load capacity:  | 5850 lbf             |
| D                             | 62 mm                |
| operating temperature range:  | Maximum of +250 °F   |
| B                             | 16 mm                |
| cage material:                | Phenolic Resin       |
| contact angle:                | 15 °                 |
| outer ring width:             | 16 mm                |
| internal clearance:           | C0                   |
| finish/coating:               | Uncoated             |
| closure type:                 | Open                 |
| precision rating:             | ABEC 7 (ISO Class 4) |
| bearing material:             | Chrome Steel         |
| fillet radius:                | 1 mm                 |
| radial dynamic load capacity: | 6900 lbf             |
| series:                       | 200-RD               |
