|-------------------------------|-------------------------------|
| d                             | 1.1250 in                     |
| radial static load capacity:  | 2030 lbf                      |
| housing material:             | Cast Iron – Teflon Protection |
| thread size:                  | PF3/4                         |
| locking device:               | Set Screw Collar              |
| thread length:                | 3/4 in                        |
| D                             | 3.1250 in                     |
| seal type:                    | Contact with Slinger          |
| bearing material:             | 440C Stainless Steel          |
| series:                       | MUCECH200TC                   |
| hanger unit type:             | Conveyor Hanger Units         |
| replacement bearing:          | MUC206-18                     |
| radial dynamic load capacity: | 3750 lbf                      |
