

# AST SFRW2-5 deep groove ball bearings

AST SFRW2-5 deep groove ball bearings Engineering 3.7500 in base to bore centerline: Calculator , Manufacturing Service Cast Steel housing material: . Get Your Free.

|  |                      |
|--|----------------------|
| base to bore centerline:               | 3.7500 in            |
| housing material:                      | Cast Steel           |
| overall length:                        | 13.0000 in           |
| compatible bearing type:               | Spherical Roller     |
| overall height:                        | 7.2500 in            |
| compatible bearing series/part number: | 22217 CCK/W33        |
| B                                      | 4.9375 in            |
| D                                      | 9.8750 to 11.0000 in |
| mounting:                              | Two-Bolt Base        |
| bolt size:                             | 3/4 in               |
| housing construction:                  | Split Pillow Block   |
| manufacturer upc number:               | 737533031514         |
| compatible bore diameter:              | 2.9375 in            |
