

FAG RN344-EX-MPBX cylindrical roller bearings

What is FAG RN344-EX-MPBX cylindrical roller bearings in mechanical engineering? Manufacturing Service . Upload your CAD file 25 mm d for an 68700 N radial static load capacity: instant.

d	25 mm
radial static load capacity:	68700 N
misalignment angle:	7 °
head diameter:	55 mm
lubrication type:	No Fitting
head width:	24 mm
housing material:	Steel
ball width:	20 mm
ball material:	Steel
length to ball center:	45 mm
race material:	Steel
