

FBJ NKI 70/35 needle roller bearings

FBJ NKI 70/35 needle roller bearings manufacturer and global supplier of reliable ball and roller ... FBJ NKI 70/35 needle roller bearings 28 mm d Industries Products Manufacturing & Engineering and Agricultural Bearings designed to meet the unique requirements of -450 to 500 °C operating temperature range: our targeted industries.

d	28 mm
operating temperature range:	-450 to 500 °C
D	44 mm
maximum pv value:	75000
overall length:	20 mm
maximum p value:	4000
maximum v value:	750
sleeve bearing type:	Flanged Bearing
Weight	0.199 lb
flange width:	4 mm
manufacturer catalog:	Click here
bearing material:	Cast Bronze C93200 (SAE 660)
manufacturer upc number:	717905206290
