

# Gamet 210090/210170 tapered roller bearings

How do you find the 1.5000 in d Gamet 210090/210170 tapered roller bearings specification? Manufacturers Online Free check

|                                |                                 |
|--------------------------------|---------------------------------|
| d                              | 1.5000 in                       |
| radial static load capacity:   | 4467 lb                         |
| D                              | 4.0000 in                       |
| seal type:                     | Single Lip Contact with Flinger |
| B                              | 2.3125 in                       |
| length through bore:           | 2.2188 in                       |
| bore type:                     | Round                           |
| maximum operating temperature: | 200 °F                          |
| duty type:                     | Standard Duty                   |
| finish/coating:                | Gray Painted                    |
| mounting type:                 | Four-Bolt Flange                |
| bolt size:                     | 0.5000 in                       |
| housing material:              | Cast Iron                       |
| maximum rpm:                   | 3500 RPM                        |
| locking device:                | Eccentric Collar                |
| lubrication type:              | Lubrication Fitting             |
| expansion type:                | Non-Expansion Bearing (Fixed)   |
| series:                        | VF4E 200                        |
| housing width:                 | 0.6875 in                       |
| application:                   | Browning – Standard             |
| replacement bearing:           | VE-224                          |
| inner ring width:              | 2.2188 in                       |

|                               |                            |
