

# IKO NAG 4926UU cylindrical roller bearings

IKO NAG 4926UU cylindrical roller bearings manufacturer and global supplier of reliable ball and roller ... IKO NAG 4926UU cylindrical roller bearings Industries 7889 lb radial dynamic load capacity: Products Manufacturing & Engineering and Agricultural Bearings designed to meet the unique 1.8125 in d requirements of our targeted industries.

|                               |                               |
|-------------------------------|-------------------------------|
| d                             | 1.8125 in                     |
| radial dynamic load capacity: | 7889 lb                       |
| D                             | 3.5433 in                     |
| bearing material:             | 52100/Black Oxide             |
| outer ring width:             | 1.1250 in                     |
| cage material:                | Brass                         |
| inner ring width:             | 2.0313 in                     |
| finish/coating:               | Uncoated                      |
| bore type:                    | Round                         |
| seal type:                    | Single Lip Contact            |
| locking device:               | Set Screw Collar              |
| expansion type:               | Non-Expansion Bearing (Fixed) |
| duty type:                    | Standard Duty                 |
| series:                       | ER                            |
| B                             | 2.0313 in                     |
| manufacturer catalog number:  | 703099                        |
| operating temperature range:  | 250°                          |
