## IKO TAF 152316/SG needle roller bearings

IKO TAF 152316/SG needle roller bearings with easy-to-use parts graphics, giving you the ability 0.7500 in d to check parts availability, 14207 lbf radial static load capacity: pricing, examine remanufactured options.

| d                            | 0.7500 in               |
|------------------------------|-------------------------|
| radial static load capacity: | 14207 lbf               |
| misalignment angle:          | 24 º                    |
| head diameter:               | 1.7500 in               |
| shank thread length:         | 1.7500 in               |
| head width:                  | 0.5930 in               |
| rod end type:                | Male Threaded           |
| ball width:                  | 0.8750 in               |
| shank thread size:           | 3/4-16                  |
| length to ball center:       | 2.8750 in               |
| thread direction:            | Right Hand              |
| overall height:              | 3.7500 in               |
| grade:                       | Economy/General Purpose |
| series:                      | CM                      |
| thread type:                 | UNF-3A                  |
| harmonization code:          | 8483.30.8055            |
| housing material:            | Low Carbon Steel        |
