

# ILJIN IJ123077 angular contact ball bearings

What is ILJIN IJ123077 angular contact ball bearings in mechanical engineering? Manufacturing Service . Upload your CAD 1 in d file for an instant.

d	1 in
maximum p value:	4000 psi
D	1-1/4 in
maximum v value:	750 fp/min
overall length:	1-5/8 in
material specification:	SAE 660 (C932)
sleeve bearing type:	Plain Sleeve
standards met:	83-7-7-3, ASTM B505, CDA 932, SAE 660
bearing material:	Cast Bronze C93200 (SAE 660)
Weight	0.226 lb
groove/plug type:	None
manufacturer catalog:	<a href="#">Click here</a>
operating temperature range:	Max 500 °F
manufacturer upc number:	717905062131
maximum pv value:	75000
