

# INA 16006AH04 deep groove ball bearings

Can't find what you're looking for INA 16006AH04 deep groove ball bearings 5690 lbf static load capacity: ? 25 mm d Our expert Representatives be in contact with you shortly!

|                              |   |
|------------------------------|---|
| d                            | 25 mm                                     |
| static load capacity:        | 5690 lbf                                  |
| D                            | 32 mm                                     |
| maximum rpm:                 | 18000 RPM                                 |
| B                            | 16 mm                                     |
| flanges:                     | No Flange                                 |
| needle bearing type:         | Roller & Cage Assembly                    |
| series:                      | K   |
| closure type:                | Open                                      |
| lubrication hole type:       | No Hole                                   |
| operating temperature range: | Maximum of +250 °F                        |
| precision rating:            | Not Rated                                 |
| cage material:               | Steel                                     |
| standards met:               | ANSI/ABMA 18.1, DIN 5405 Part 1, ISO 3030 |
| dynamic load capacity:       | 4450 lbf                                  |
