

INA GIKFL 12 PW plain bearings

INA GIKFL 12 PW plain bearings Product Brochures , Two-Bolt Base mounting: Manufacturing Service . Get Your Free. 7340 lbs radial dynamic load capacity:

mounting:	Two-Bolt Base
radial dynamic load capacity:	7340 lbs
d	1.5000 in
base width:	2.1250 in
bore type:	Round
D	5.0625 to 5.6875 in
base to bore centerline:	1.9375 in
maximum rpm:	1750 rpm
duty type:	Normal Duty
bolt size:	0.5000 in
housing material:	Composite
lubrication type:	Lubrication Fitting
locking device:	Skwezloc
series:	CRPC-PN
seal type:	High Performance Seal
replacement bearing:	PN-24T
expansion type:	Non-Expansion Bearing (Fixed)
misalignment angle:	+/-2 °
overall length:	7.2500 in
bearing material:	52100 Bearing Steel
overall height:	4.0156 in
manufacturer catalog number:	712606

finish/coating:	Phosphorus Nickel Plated
manufacturer catalog:	Click here
insert material:	52104 Bearing Steel
manufacturer upc number:	662461347751
B	1.9375 in
Weight	2.50 lbs
maximum operating temperature:	250 °F
