

# INA NK70/25-XL needle roller bearings

With over 10170 full-service stores, our INA NK70/25-XL needle roller bearings Tapped Base mounting: inventory is extensive and our parts are priced right. within 24 hours. This helps you maximize your productivity by saving time and your hard-earned dollars.

|                                |                                 |
|--------------------------------|---------------------------------|
| mounting:                      | Tapped Base                     |
| maximum operating temperature: | 250 °F                          |
| d                              | 2.0000 in                       |
| radial dynamic load capacity:  | 7889 lb                         |
| bore type:                     | Round                           |
| radial static load capacity:   | 5216 lb                         |
| base to bore centerline:       | 2.2500 in                       |
| base width:                    | 2.0000 in                       |
| duty type:                     | Normal Duty                     |
| D                              | 4.0000 in                       |
| housing material:              | Cast Iron                       |
| maximum rpm:                   | 2000 RPM                        |
| locking device:                | BOA Concentric                  |
| tapping depth:                 | 7/8 in                          |
| seal type:                     | Single Lip Contact with Flinger |
| tap thread size:               | 5/8-11                          |
| expansion type:                | Non-Expansion Bearing (Fixed)   |
| lubrication type:              | Lubrication Fitting             |
| overall length:                | 5.5000 in                       |
| series:                        | VTBB                            |

|                              |                            |
|------------------------------|----------------------------|
| overall height:              | 4.6250 in                  |
| replacement bearing:         | VB-232S                    |
| finish/coating:              | Grey Painted               |
| manufacturer catalog number: | 766548                     |
