

# INA SL185007 cylindrical roller bearings

LET OUR 2 in d INA SL185007 cylindrical roller bearings EXPERTS GET YOU THE PARTS YOU NEED.

|                               |                               |
|-------------------------------|-------------------------------|
| d                             | 2 in                          |
| radial static load capacity:  | 5220 lbf                      |
| D                             | 4-23/32 in                    |
| seal type:                    | Contact with Slinger          |
| housing width:                | 1-19/64 in                    |
| lubrication type:             | Lubrication Fitting           |
| inner ring width:             | 2.031 in                      |
| bearing material:             | AISI 52100 Steel              |
| housing material:             | Cast Iron                     |
| series:                       | UCC200                        |
| locking device:               | Set Screw                     |
| duty type:                    | Normal Duty                   |
| expansion type:               | Non-Expansion Bearing (Fixed) |
| replacement bearing:          | UC210-32                      |
| radial dynamic load capacity: | 7980 lbf lbf                  |
