

INA SL185032 cylindrical roller bearings

Can't find what you're looking CRES seal type: for INA SL185032 cylindrical roller bearings ? Our expert 0.2500 in d Representatives be in contact with you shortly!

d	0.2500 in
seal type:	CRES
D	1.0000 in
bearing material:	52100 Bearing Quality Steel
B	0.4000 in
precision rating:	Not Rated
bearing type:	Ball Bearing
application:	Airframe Control
internal clearance:	C0
finish/coating:	Steel
closure type:	Double Shielded
outer ring width:	0.3400 in
dynamic load capacity:	820 lbf
inner ring width:	0.4000 in
static load capacity:	310 lbf
series:	RBC®
cage material:	Cold Roller Steel
manufacturer product page:	Click here
number of rows:	1
manufacturer upc number:	637400580858
row type & fill slot:	Single Row Non-Fill Slot
Weight	0.04 lbs
