|----------------------------|--------------------------------------|
| Volume Discount            | Available                            |
| Days to Ship               | 7 Days                               |
| RoHS                       | 6                                    |
| Bearing I.D. d(mm)         | 20                                   |
| Bearing Retained           | Yes (with retaining ring)            |
| Housing Material           | [Aluminum Alloy] 2017 Aluminum Alloy |
| Width T(mm)                | 15                                   |
| Holder Surface Treatment   | Clear Anodize                        |
| Bearing Part Number        | 6904                                 |
| Flange O.D. H( $\varphi$ ) | 69                                   |
| Shape                      | Flange Type                          |
| Bearing Used               | Deep Groove Ball Bearings            |
| Bearing Material           | Stainless Steel                      |
| Number of Bearings         | Single                               |
| Flange Shape               | Compact Type                         |
| Type                       | Bearings with Housings               |
| Seals                      | ZZ (Double Shield)                   |
