

ISO 7236 BDT angular contact ball bearings

How do you find the Plastic cage material: ISO 7236 BDT angular contact ball bearings specification? Manufacturers Online Free check

d	80 mm
cage material:	Plastic
D	105 mm
dynamic load capacity:	23800 lbf
B	9/32 in
maximum rpm:	3100 RPM
thrust bearing type:	Roller & Cage Assembly with Washers
compatible washers:	LS80105, WS81116
operating temperature range:	-20 to +120 °C
series:	K811
static load capacity:	79000 lbf
