

ISO NN3120 K cylindrical roller bearings

ISO NN3120 K cylindrical roller bearings manufacturer and global supplier of reliable ball and roller ... ISO NN3120 K cylindrical roller bearings Industries Products Manufacturing 30 mm d & 1 number of rows: Engineering and Agricultural Bearings designed to meet the 90 mm D unique requirements of our targeted industries.

d	30 mm
number of rows:	1
D	90 mm
cage material:	Pressed Steel
B	23 mm
closure type:	Open
bore type:	Straight
manufacturer upc number:	029176069864
