

ISO RNA060x78x20 cylindrical roller bearings

We work closely with our ISO RNA060x78x20 cylindrical roller bearings manufacturing #32 diameter: partners to bring the best 3 ft length: value to customers.

diameter:	#32
grade:	W1
length:	3 ft
meets industry standards by:	ASTM, SAE
material:	Steel
industry standards met:	SAE J-437, ASTM A-686
finish:	Polished
