

# KOYO NJ318R cylindrical roller bearings

What are the 70 mm d types Plastic cage material: of KOYO NJ318R cylindrical roller bearings ? Manufacturing Service . Get Your Free, Instant price, design review.

d	70 mm
cage material:	Plastic
D	105 mm
dynamic load capacity:	42000 lbf
B	27 mm
maximum rpm:	3300 RPM
thrust bearing type:	Roller & Cage Assembly with Washers
fillet radius:	1 mm
operating temperature range:	-20 to +120 °C
compatible washers:	WS81214, GS81214
static load capacity:	124000 lbf
series:	812
