Loyal Rust proof XU060094 Crossed roller slewing bearings (without gear teeth) Engineering Calculator , Roller & Cage Assembly needle bearing type: Manufacturing Service . Get Your Free.

needle bearing type:	Roller & Cage Assembly
rollers per cage:	9
roller type:	Single
dynamic load capacity:	35500 N
length:	60 mm
static load capacity:	88000 N
width:	20 mm
lubrication hole type:	No Hole
roller diameter:	3 mm
series:	FF
roller length:	13.8 mm
manufacturer catalog:	<a href="#">Click here</a>
closure type:	Open
manufacturer upc number:	4012802036305
flanges:	No Flange
