

# NACHI 6904NR deep groove ball bearings

We work closely with our Two-Bolt Base mounting: NACHI 6904NR deep groove ball bearings 37 mm B manufacturing partners to bring the best value to customers.

|                               |                               |
|-------------------------------|-------------------------------|
| mounting:                     | Two-Bolt Base                 |
| B                             | 37 mm                         |
| d                             | 20 mm                         |
| radial dynamic load capacity: | 1310 kgf                      |
| bore type:                    | Round                         |
| radial static load capacity:  | 680 kgf                       |
| base to bore centerline:      | 1.3110 in                     |
| base width:                   | 27 mm                         |
| duty type:                    | Normal Duty                   |
| D                             | 91 mm to 103 mm               |
| housing material:             | Cast Iron                     |
| bolt size:                    | M10                           |
| locking device:               | Eccentric Collar              |
| lubrication type:             | Cannot Be Relubricated        |
| seal type:                    | Contact/Lip                   |
| series:                       | KHLLP200                      |
| expansion type:               | Non-Expansion Bearing (Fixed) |
| replacement bearing:          | KH204                         |
| overall length:               | 125 mm                        |
