|-------------------------------|----------------------------|
| d                             | 1.1875 in                  |
| cage material:                | Plastic                    |
| D                             | 2.8346 in                  |
| snap ring included:           | Without Snap Ring          |
| outer ring width:             | 0.7500 in                  |
| finish/coating:               | Uncoated                   |
| inner ring width:             | 1.7500 in                  |
| maximum rpm:                  | 4000 RPM                   |
| bore type:                    | Round                      |
| seal type:                    | Single Lip Contact         |
| locking device:               | Concentric Collar          |
| locking device part number:   | B-23A                      |
| duty type:                    | Medium Duty                |
| series:                       | VB 300                     |
| radial dynamic load capacity: | 5782 lbs                   |
| manufacturer catalog number:  | 764044                     |
| radial static load capacity:  | 3493 lb                    |
| manufacturer product page:    | <a href="#">Click here</a> |
| bearing material:             | 52100 Steel                |
