

NKE 32222-DF tapered roller bearings

What are 1.5250 in d the dimensions of a NKE 32222-DF tapered roller bearings? Manufacturing Not Rated precision rating: Service . Get Your Free, Instant Quote

d	1.5250 in
precision rating:	Not Rated
D	3.9350 in
finish/coating:	Uncoated
B	2.0470 in
bearing material:	Steel
bore type:	Hex
outer ring width:	2.0470 in
closure type:	Double Sealed
outside diameter design:	Straight
internal clearance:	C0
series:	1SP-B1011
dynamic load capacity:	3750 lb
