

NKE NU409-M cylindrical roller bearings

170 Million used NKE NU409-M cylindrical roller bearings instantly searchable. Shop our large selection Two-Bolt Base mounting: of parts based on brand, price, description, and location. Order the with stock ...

mounting:	Two-Bolt Base
overall height:	4.6250 in
d	1.6875 in
B	2.0313 in
bore type:	Round
operating temperature range:	Max 250°
base to bore centerline:	2.3125 in
base width:	2.6250 in
duty type:	Medium Duty
D	6.1250 in
housing material:	Flouropolymer (Xylan) Coating
bolt size:	.6250 in
locking device:	Set Screw
lubrication type:	Lubrication Fitting
seal type:	High Performance Seal
series:	CRMPF
expansion type:	Non-Expansion Bearing (Fixed)
replacement bearing:	PNM-27
overall length:	8.7500 in
manufacturer catalog number:	762149
