

# NSK HR322/22 tapered roller bearings

LET OUR NSK HR322/22 tapered roller bearings EXPERTS GET YOU Spherical Roller bearing type: THE PARTS YOU 1-15/16 in d NEED.

|                               |                               |
|-------------------------------|-------------------------------|
| d                             | 1-15/16 in                    |
| finish/coating:               | Powder Coated                 |
| bearing type:                 | Spherical Roller              |
| radial dynamic load capacity: | 27200 lb                      |
| D                             | 4.531 in                      |
| radial static load capacity:  | 31800 lb                      |
| housing width:                | 2-9/16 in                     |
| maximum rpm:                  | 2200 RPM                      |
| housing material:             | Cast Iron                     |
| seal type:                    | Contact/Lip                   |
| locking device:               | Tapered Adapter Sleeve        |
| lubrication type:             | Lubrication Fitting           |
| expansion type:               | Non-Expansion Bearing (Fixed) |
| series:                       | 9000                          |
| inner ring width:             | 3-5/32 in                     |
