

# NSK NNU 4952 K cylindrical roller bearings

Online NSK NNU 4952 K cylindrical roller bearings Expert. More Choices. NSK NNU 4952 K cylindrical roller bearings in Stock & Ready 4.5000 in d to Ship Now!

|                              |                                                                  |
|------------------------------|------------------------------------------------------------------|
| d                            | 4.5000 in                                                        |
| outer ring width:            | 4.6900 in                                                        |
| D                            | 7.7500 in                                                        |
| ball material:               | 52100 Steel                                                      |
| misalignment angle:          | 10 °                                                             |
| race material:               | 52100 Steel                                                      |
| inner ring width:            | 4.6900 in                                                        |
| radial static load capacity: | 932920 lb                                                        |
| bearing type:                | Radial                                                           |
| operating temperature range: | -40 to +250 °F                                                   |
| lubrication type:            | Requires Lubrication                                             |
| series:                      | GEGZ                                                             |
| closure type:                | Open                                                             |
| Weight                       | 29.98 lbs                                                        |
| outer ring material:         | 52110 Bearing Steel -Corrosion Resistant Plating                 |
| harmonization code:          | 8483.30.8070                                                     |
| inner ring material:         | Chrome Steel                                                     |
