

# NSK RS-4992E4 cylindrical roller bearings

Online NSK RS-4992E4 cylindrical roller bearings Cast Iron – Nickel Protection housing material: Expert.More Choices. NSK RS-4992E4 cylindrical roller bearings in Stock 1.1875 in d & Ready to Ship Now! 2540 lbf radial static load capacity:

|                               |                               |
|-------------------------------|-------------------------------|
| d                             | 1.1875 in                     |
| radial static load capacity:  | 2540 lbf                      |
| housing material:             | Cast Iron – Nickel Protection |
| thread size:                  | PF3/4                         |
| locking device:               | Set Screw Collar              |
| thread length:                | 3/4 in                        |
| D                             | 3.1250 in                     |
| seal type:                    | Contact with Slinger          |
| bearing material:             | AISI 52100 Steel              |
| series:                       | UCECH200NP                    |
| hanger unit type:             | Conveyor Hanger Units         |
| replacement bearing:          | UC206-19                      |
| radial dynamic load capacity: | 4410 lbf                      |
