

# NTN 2R2904V cylindrical roller bearings

NTN 2R2904V cylindrical roller bearings SEARCH – Whether it's agriculture or construction equipment 3/4 in d your working on, Has 1-1/4 in D the you Sintered Bronze Oil-Impregnated bearing material: need.

|                         |                                 |
|-------------------------|---------------------------------|
| d                       | 3/4 in                          |
| bearing material:       | Sintered Bronze Oil-Impregnated |
| D                       | 1-1/4 in                        |
| material specification: | CT-1000-K26, SAE841             |
| overall length:         | 3/4 in                          |
| standards met:          | RoHS, REACH, DRC Conflice Free  |
| harmonization code:     | 848330                          |
| sleeve bearing type:    | Flanged Bearing                 |
| iso grade:              | 9001:2008 & 14001:2004          |
| flange width:           | 3/16 in                         |
| series:                 | BSF                             |
