

# NTN 4T-95475/95925 tapered roller bearings

NTN 4T-95475/95925 tapered roller bearings Needs Analysis 18 mm d , Manufacturing Service . 35 mm D Get Bronze outer ring material: Your Free.

|                               |                      |
|-------------------------------|----------------------|
| d                             | 18 mm                |
| outer ring material:          | Bronze               |
| D                             | 35 mm                |
| inner ring material:          | Steel                |
| misalignment angle:           | 15 °                 |
| outer ring width:             | 16.5 mm              |
| inner ring width:             | 23 mm                |
| radial static load capacity:  | 66500 N              |
| bearing type:                 | Radial               |
| radial dynamic load capacity: | 26000 N              |
| lubrication type:             | Requires Lubrication |
| operating temperature range:  | -60 to +250 °C       |
| closure type:                 | Open                 |
| standards met:                | ISO-12 240-1         |
