

# NTN EE736173D/736238/736239D tapered roller bearings

NTN EE736173D/736238/736239D tapered roller bearings, Units 100 mm d and 52100 Steel/Black Oxide bearing material: Housings CAD models , Manufacturing Service . Get Your Free.

|                              |                               |
|------------------------------|-------------------------------|
| d                            | 100 mm                        |
| bearing material:            | 52100 Steel/Black Oxide       |
| D                            | 8.3125 in                     |
| seal type:                   | Contact Seal                  |
| B                            | 10.5625 in                    |
| length through bore:         | 117.50 mm                     |
| bore type:                   | Round                         |
| operating temperature range: | 250°                          |
| duty type:                   | Medium Duty                   |
| finish/coating:              | Uncoated                      |
| mounting type:               | Four-Bolt Flange              |
| bolt size:                   | 1.0000 in                     |
| housing material:            | Cast Iron                     |
| lubrication type:            | Lubrication Fitting           |
| locking device:              | Set Screw                     |
| series:                      | MSF                           |
| expansion type:              | Non-Expansion Bearing (Fixed) |
| replacement bearing:         | 5320C                         |
| housing width:               | 96.80 mm                      |
| manufacturer catalog number: | 710527                        |
| inner ring width:            | 117.50 mm                     |
