

# NTN K68X76X36.3ZW needle roller bearings

What are the dimensions of a 0.7810 in roller width: NTN K68X76X36.3ZW needle roller bearings? Manufacturing Service . Get 1.5000 in roller diameter: Your Balls bearing element: Free, Instant Quote

roller diameter:	1.5000 in
bearing element:	Balls
roller width:	0.7810 in
closure type:	Open
point diameter:	1.1250 in
radial dynamic load capacity:	630 lb
stud diameter:	0.4375 in
radial static load capacity:	230 lb
thread size:	7/16-20
lubrication hole location:	None
stud length:	1.0000 in
v-groove angle:	90 °
roller material:	Stainless Steel
width to groove center:	0.391 in
