

NTN N311E cylindrical roller bearings

High Quality NTN N311E cylindrical roller bearings. Competitive Pricing. 5/8 in d Sintered Bronze Oil-Impregnated bearing material: Accept Small Order. Easy and Fast 1 in D Shipping.

d	5/8 in
bearing material:	Sintered Bronze Oil-Impregnated
D	1 in
material specification:	CT-1000-K26, SAE841
overall length:	1-1/2 in
standards met:	RoHS, REACH, DRC Conflice Free
harmonization code:	848330
sleeve bearing type:	Flanged Bearing
iso grade:	9001:2008 & 14001:2004
flange width:	1/8 in
series:	SF
