

# SKF 331054CC- Q-CL7C/M88010-2-QCL7A tapered roller bearings

SKF 331054CC- Q-CL7C/M88010-2-QCL7A tapered roller bearings Industries and Applications ? We 6.0000 in base to bore centerline: sell discount 18.3750 in overall length: online as well as cheap Cast Iron housing material: machinery parts.

|  |                       |
|--|-----------------------|
| base to bore centerline:               | 6.0000 in             |
| housing material:                      | Cast Iron             |
| overall length:                        | 18.3750 in            |
| compatible bearing type:               | Spherical Roller      |
| overall height:                        | 11.5625 in            |
| compatible bearing series/part number: | 22226 CCK/W33         |
| B                                      | 8.0000 in             |
| D                                      | 14.6250 to 16.0000 in |
| mounting:                              | Four-Bolt Base        |
| bolt size:                             | 7/8 in                |
| housing construction:                  | Split Pillow Block    |
| manufacturer upc number:               | 662939013157          |
| compatible bore diameter:              | 4.4375 in             |
