

# SKF 7017 ACE/P4A angular contact ball bearings

SKF 7017 ACE/P4A angular contact ball bearings SEARCH – Whether it's 0.5312 in D agriculture or construction Alloy Steel Heat Treated outer ring material: equipment your working on, 0.1900 in d Has the you need.

|                              |  |
|------------------------------|--|
| d                            | 0.1900 in                                      |
| outer ring material:         | Alloy Steel Heat Treated                       |
| D                            | 0.5312 in                                      |
| inner ring material:         | 52100 Bearing Steel Heat Treated Chrome Plated |
| misalignment angle:          | 10.5 °   |
| outer ring width:            | 0.2500 in                                      |
| inner ring width:            | 0.3120 in                                      |
| grade:                       | Commercial                                     |
| bearing type:                | Radial   |
| radial static load capacity: | 6555 lbs                                       |
| lubrication type:            | Maintenance Free/Self-Lubricating              |
| ball material:               | 52100 Bearing Steel Heat Treated Chrome Plated |
| closure type:                | Open   |
| series:                      | AIB  |
