SKF PFT 25 TF bearing units Product Brochures 212 Series Bearing Series , Manufacturing Service . Get Your Free. Normal Duty Bearing Duty

|                             |                               |
|-----------------------------|-------------------------------|
| Bearing Duty                | Normal Duty                   |
| Bearing Family              | Eccentric Collar Ball Bearing |
| Bearing Series              | 212 Series                    |
| Housing Material            | Cast Iron                     |
| Housing Type                | Wide Slot Take-Up             |
| Seal Type                   | Single Lip                    |
| d                           | 2.4375 in                     |
| Anti-Rotation Pin           | Yes                           |
| Ball Bearing Housing Series | 212 Series                    |
| Ball Grade                  | Class 10                      |
| Ball Material               | Steel                         |
| Base to Center Height       | Standard                      |
| Bearing Bore Shape          | Round                         |
| Bearing Inner Ring Material | Steel                         |
| Bearing Insert Material     | Steel                         |
| Bearing Locking Device      | Eccentric Collar              |
| Bearing Outer Ring Material | Steel                         |
| End Cap Groove              | No                            |
| Expansion Type              | Non-Expansion                 |
| Flinger Material            | Steel                         |
| Flinger Type                | Rubberized                    |
| Grease Type                 | Unirex N2                     |
| Housing Coating             | No Coating                    |

|                              |                  |
|------------------------------|------------------|
| Manufacturing Plant Location | Rogersville, TN  |
| Max Bearing Speed            | 3500 rpm         |
| Retainer Material            | Nylon            |
| Retainer Type                | Std Retainer     |
| Ring Size                    | Standard         |
| Self Aligning                | Self Centering   |
| Shaft Attachment (2)         | Eccentric Collar |
| Ship Weight                  | 10.95 LB         |
| UPC                          | 782475117642     |
