

SKF W 6210-2Z deep groove ball bearings

What is SKF W 6210-2Z deep groove ball bearings in mechanical engineering? Manufacturing Service . Upload your CAD file for an 7.5600 in D instant. 100 mm, 4.0000 in, 3.9375 in compatible bore diameter:

| | |
|---------------------------|------------------------------|
| compatible bore diameter: | 100 mm, 4.0000 in, 3.9375 in |
| material: | Steel |
| D | 7.5600 in |
| seal type: | V-Ring |
| end cap type: | Open End Cap |
| manufacturer catalog: | Click here |
| manufacturer upc number: | 883450000741 |
| series: | CJVR |
