

# SNFA HB70 /S/NS 7CE3 angular contact ball bearings

100% 2.4375 in d Authentic. SNFA HB70 /S/NS 7CE3 angular contact ball bearings Highest Quality. Certified Supplier.

|                          |                               |
|--------------------------|-------------------------------|
| d                        | 2.4375 in                     |
| locking device:          | Single Concentric Collar      |
| overall length:          | 10.2500 in                    |
| D                        | 6.8800 to 8.6300 in           |
| overall height:          | 5.8000 in                     |
| base width:              | 2.9000 in                     |
| mounting:                | Two-Bolt Base                 |
| expansion type:          | Non-Expansion Bearing (Fixed) |
| bearing type:            | Spherical Roller              |
| B                        | 3.6000 in                     |
| bore type:               | Round                         |
| lubrication type:        | Lubrication Fitting           |
| housing construction:    | Solid Pillow Block            |
| end type:                | Open                          |
| base to bore centerline: | 2.7500 in                     |
| bolt size:               | 0.6250 in                     |
| housing material:        | Cast Steel                    |
| manufacturer upc number: | 883450044806                  |
