SNFA VEB 12 7CE1 angular contact ball bearings Product Brochures , 18 in travel: 1.5000 in d Manufacturing Service . Get Your Cast Iron housing material: Free.

d	1.5000 in
housing material:	Cast Iron
travel:	18 in
locking device:	Skwezloc Concentric
frame overall length:	26.5000 in
seal type:	Standard Felt Seal
frame type:	Center Pull
overall height:	2.0000 in
bearing type:	Ball Bearing
overall length:	29.5625 in
duty type:	Standard Duty
operating temperature range:	Max 250°
frame material:	Cast Iron
bolt size:	.3750 in
frame base width:	9.3125 in
series:	STH
finish/coating:	Uncoated
manufacturer catalog number:	713875
