

# SNR AB12383 deep groove ball bearings

With over 10170 full-service Two-Bolt Base mounting: stores, our SNR AB12383 deep groove ball bearings inventory is extensive and our parts are priced right. within 24 hours. This helps you maximize your productivity by saving time and your hard-earned dollars.

|                               |                               |
|-------------------------------|-------------------------------|
| mounting:                     | Two-Bolt Base                 |
| overall height:               | 3.6875 in                     |
| d                             | 1.3125 in                     |
| B                             | 1-15/16 in                    |
| bore type:                    | Round                         |
| radial dynamic load capacity: | 5820 lbf                      |
| base to bore centerline:      | 1.8750 in                     |
| radial static load capacity:  | 3460 lbf                      |
| duty type:                    | Normal Duty                   |
| base width:                   | 1-7/8 in                      |
| housing material:             | Cast Iron                     |
| D                             | 4-11/16" to 5-5/16"           |
| locking device:               | Set Screw                     |
| bolt size:                    | 1/2                           |
| seal type:                    | Contact with Slinger          |
| lubrication type:             | Lubrication Fitting           |
| expansion type:               | Non-Expansion Bearing (Fixed) |
| series:                       | UCP200C4HR23                  |
| overall length:               | 6.5625 in                     |
| replacement bearing:          | UC207-21C4HR23                |
