

# Toyana 23952 KCW33 spherical roller bearings

LET OUR Toyana 23952 KCW33 spherical roller bearings EXPERTS GET Labyrinth lip material: YOU 2.3620 in shaft diameter: THE PARTS YOU NEED.

|                               |                                                                                                      |
|-------------------------------|------------------------------------------------------------------------------------------------------|
| shaft diameter:               | 2.3620 in                                                                                            |
| typical application:          | Exceptional Bearing Protection, Rotating Applications, Pumps, Gearboxes, Motors, Energy Efficient Ap |
| lip material:                 | Labyrinth                                                                                            |
| harmonization code:           | 3926904590.US                                                                                        |
| construction description:     | ISO-GARD® Flanged Design, Filled PTFE Rotor and Stator, FKM O-Rings, and 0.375" FlangeISO-G          |
| manufacturer catalog number:  | 29502-1876                                                                                           |
| continuous temperature range: | -22 to 400°F                                                                                         |
| Weight                        | 0.25 lb                                                                                              |
| maximum shaft surface speed:  | 4500 fpm                                                                                             |
| D                             | 3.2280 in                                                                                            |
| misalignment tolerance:       | 0.020 in                                                                                             |
| width:                        | 0.7500 in                                                                                            |
| pressure tolerance:           | Ambient                                                                                              |
