

Toyana 7214 A-UX angular contact ball bearings

Can't find what you're looking for Toyana 7214 A-UX angular contact ball bearings ? Our expert Representatives be in contact 9 in travel: with you shortly!

travel:	9 in
housing material:	Welded Steel
frame type:	Side Mount
housing type:	Ball Bearing Take Up Frame
compatible bore diameter:	1-1/16 to 2 in
insert material:	52100 Bearing Steel
series:	T210
lubricant:	#2 Lithium
bearing material:	52100 Bearing Steel
lubrication type:	Grease
bearing style:	Ball Bearing Take-up Frame
maximum rpm:	3500 rpm
bore type:	Round
misalignment angle:	1-1/2 °
cage material:	Nylon
operating temperature range:	200° °F
duty type:	Normal-Medium
bearing type:	Standard Slot – Protected Screw
expansion type:	Non-Expansion Bearing (Fixed)
application:	General Industrial
finish / coating:	Gray Paint
manufacturer catalog:	Click here

flange mounting type:	NA
manufacturer upc number:	662798259536
housing construction:	Cast Iron
